## DECLARATION

Cavaglietto, May 2, 2023

### COMPLIANCE WITH REGULATIONS REGARDING METALS AND MINERALS FROM CONFLICT OR HIGH RISK AREAS

Pony S.r.l. with operational headquarter in Strada Provinciale 21A - 28010 Cavaglietto (NO) – Italy – VAT number IT02614620025 declares:

Pony S.r.l. is fully aware of Regulation (EU) 2017/821 of the European Parliament and of the Council of 17 May 2017 setting out supply chain due diligence obligations for Union importers of tin, tantalum and tungsten, their ores and gold originating in conflict-affected or high-risk areas.

Pony S.r.l. as a manufacturer of connectors, cable connectors, spiders and distriboxes, magnetic sensors and metal components for connectors, it does not directly import metals and minerals; the raw materials used, which in some cases may contain tin or gold, are purchased from Italian or EU suppliers, who declare and certify that their metals and minerals do not come from conflict or high-risk regions, as indicated in the EU regulation.

Pony S.r.l. conducts a periodic review with its suppliers to ensure that they comply with Regulation (EU) 2017/821.

Pony S.r.l., to the best of its knowledge, is confident that the materials or metals used in the production process do not contain metals from conflict-affected or high-risk areas.
